Tasman Imperial 57 def Wayback 37

Waybacks were the closest competition all year, with the ledger even between the two teams heading into the Grand Final.

Tasman Imperials came out strong in the first quarter, taking Waybacks by surprise with multiple intercepts and turnovers.

Tasman Imperial continued to build their lead the whole game, never dropping pressure across all positions on the court.

Zarli Little led the way with a very deserved best on court in their attack, but it was a true team effort that led to a final score: 57-37
