Wanilla Rangers Claim A1R Premiership

Wanilla Rangers have claimed the A1R premiership after a convincing 54-29 victory over Tasman Imperials.

Both teams came out strongly from the opening whistle, determined to make an early impact and secure an advantage. Tasman Imperial's defensive duo of Sarah Stringer and Rebecca Kidman worked tirelessly to control Wanilla goalies Vanessa Brooks and Ava Kayser, applying plenty of pressure around the circle.

At the opposite end, Wanilla defenders Maddison Sellick and Kim Roberts worked hard to claim loose balls and intercept passes, helping their side build further on its lead.

Both teams continued to work hard across the game with the midcourters of both Wanilla and Tasman Imperials moving the ball swiftly down the court to their respective attacking lines as the sides looked to create more scoring opportunities.

Wanilla continued to etch its lead further ahead as the match progressed. Despite a determined effort from Tasman, the Wanilla Rangers maintained control to eventually claim the 54-29 victory and the A1R premiership.

Best on Court went to Wanilla Rangers centre Codi Moseby, who played an exceptional game, feeding accurate passes into the goalies and applying strong defensive pressure down the court.

It was a well-earned premiership for the Wanilla Rangers after a strong performance from start to finish.
