Ravendale Storm 36 def Wayback 30

What a grand final!

It was a nail-biter from start to finish, with four quarters of intense, nerve-racking netball. Storm came up against Waybacks, a team they'd had some incredibly close battles with throughout the season, so they knew they were going to have to fight for every single ball.

After sitting on top for most of the season, Storm walked onto that court determined to finish the job and that's exactly what they did.

The pressure was relentless. Defence at both ends outstanding, creating turnover after turnover, and every player stepped up when they were needed most. Even when the game was tight and the pressure was enormous, both teams stayed composed, trusted each other and kept fighting until the final whistle.

Storm came about as Premiers by a mere 6 goals with Leila Sargent named best on court.
